

General Services Administration Authorized Carriers

Nine current holders of the General Services Administration carrier contract are approved for overnight domestic express delivery of Secret and Confidential information to and among contractor facilities and U.S. Government Agencies. The Information Security Oversight Office made this policy determination in March 10, 2004.

The vendors are:

- Airborne Express
- AirNet Systems
- Associated Global Systems
- Cavalier Logistics Management
- CorTrans Logistics
- DHL Airways
- Federal Express
- Menlo Worldwide Forwarding (formerly Emergy)
- United Parcel Service
